GET THE BEST OF BOTH WORLDS: INTENSIVE LANGUAGE STUDY + INTERNSHIP PLACEMENTS

CET Taiwan is a well-rounded program based in Taipei, a progressive, multicultural, vibrant city. Small class sizes provide you with the tools needed to actively use your Chinese in daily life at your internship placement and at home with your Taiwanese roommate. And with Taipei's diverse job market, you can gain international work experience in almost any sector. Whether you're organizing a roundtable discussion for the Democratic Progressive Party or growing your digital marketing skills at Geber Consulting, you go home with sharpened language skills and the international experience to set your résumé apart from the rest.

Especially with having the **local roommates, they help a lot with learning the culture and language** and are just all-around fantastic people!”
